Meeting Room

DCA is a vibrant, contemporary building, buzzing with atmosphere in the centre of the city with excellent public transport links nearby. It's at the heart of Dundee's cultural life and makes a fantastic meeting place for a range of events.

We offer several meeting and events spaces throughout the building, from our much-loved Meeting Room to our newly-available Centrespace, which boasts a suite of flexible spaces to meet a range of event needs.

Our dedicated and experienced events team will be on hand from your initial enquiry to the day of your event itself. DCA is a registered charity and the income generated by the hire of our spaces directly supports our artistic programme. Our pricing is competitive, and we offer reduced rates for other registered charities and arts organisations. To find out more contact events@dca.org.uk.

Meeting Room

For small to mid-scale events, meetings and presentations our quiet and comfortable Meeting Room offers a flexible, highly equipped space at the heart of our building.

The space can accommodate a range of different layouts and is licenced for up to 70 delegates. Fully accessible by lift, the room is completely flexible and can be either flooded with daylight or blacked out. It's fitted out with the latest in conferencing technology and interactive display, including a 4k 86" interactive touchscreen display, with built in audio-visual capabilities for seamless hybrid working.

Just bring along your laptop (Mac or PC) to get connected, or we can supply you with a device. An adjacent cloakroom is available for every meeting, and we have a welcome/ registration area and multiple break out rooms available if required.

Centrespace

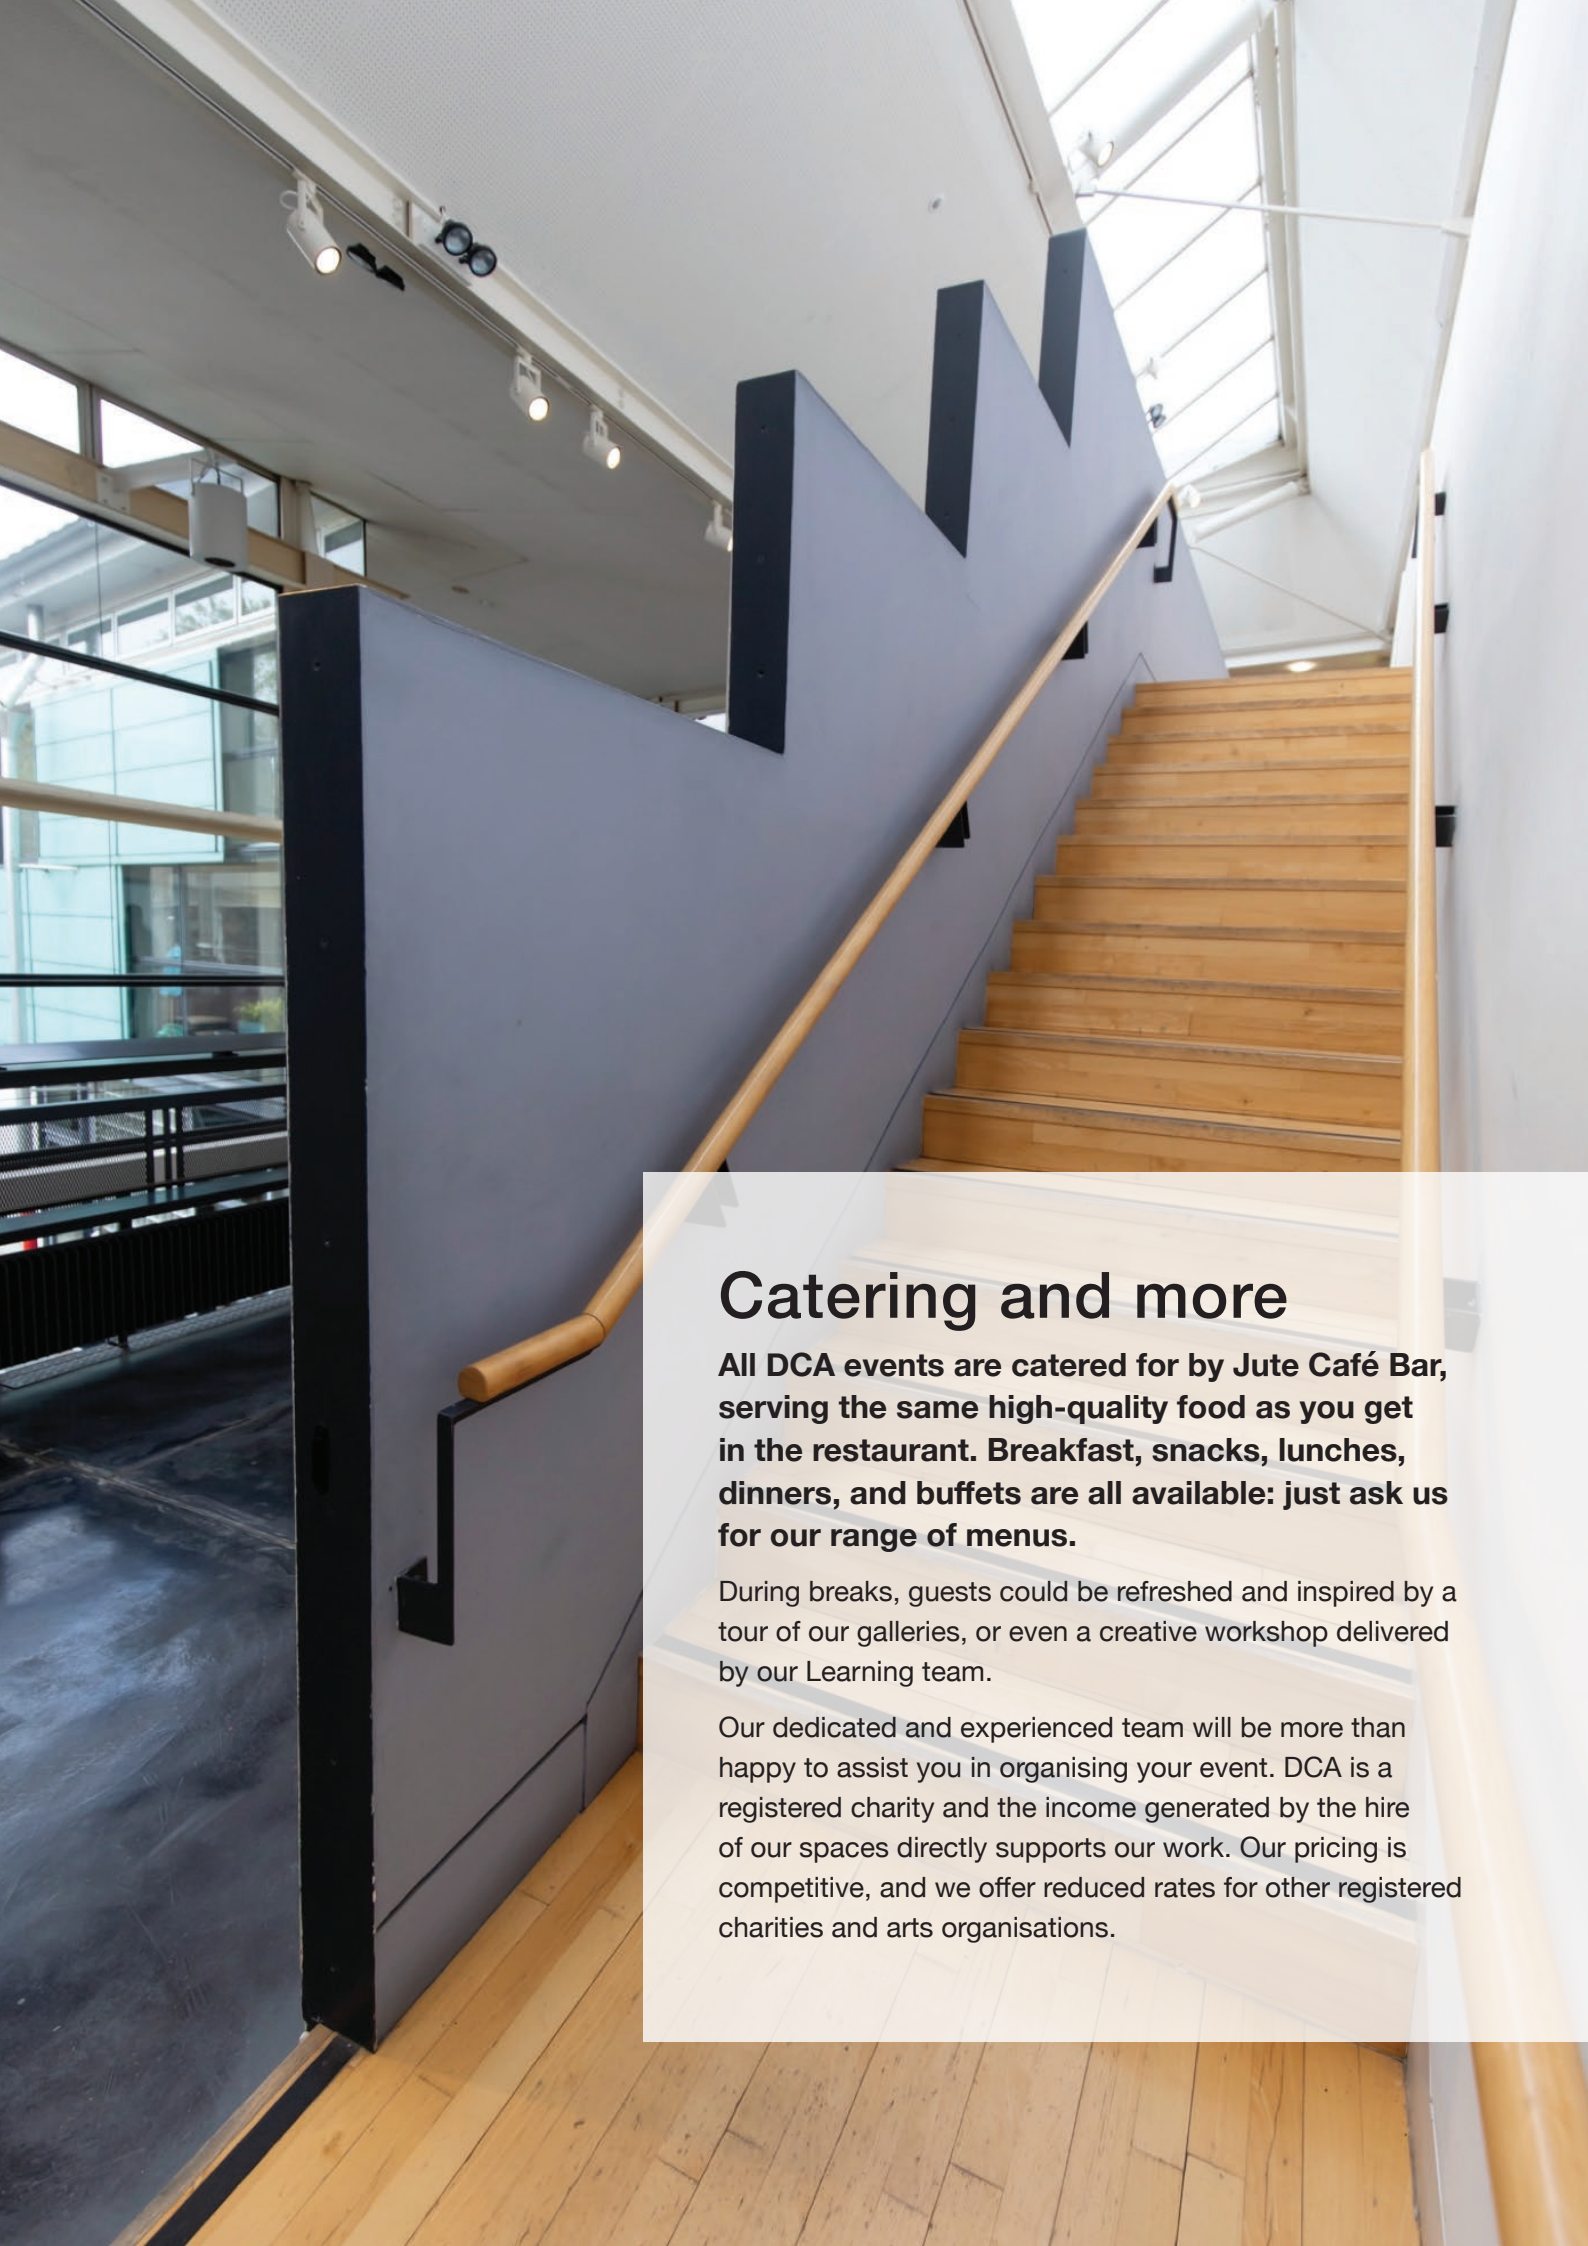

Situated on the lower floors of DCA, the newly available Centrespace offers a flexible, accessible combination of spaces, from the large Centrespace 1 & 2, with a capacity of 150, to our Micro Office which seats 4.

An outdoor courtyard provides further space for up to 100 people. Rooms can be hired in a number of layouts and combinations to suit your requirements, whether you're looking for a production base or a conference venue with multiple breakout areas.

DCA Cinema

Our two comfy, event configured cinemas, seating 202 and 72 people, are also available on a limited basis for hire: contact us for more information.

Catering and more

All DCA events are catered for by Jute Café Bar, serving the same high-quality food as you get in the restaurant. Breakfast, snacks, lunches, dinners, and buffets are all available: just ask us for our range of menus.

During breaks, guests could be refreshed and inspired by a tour of our galleries, or even a creative workshop delivered by our Learning team.

Our dedicated and experienced team will be more than happy to assist you in organising your event. DCA is a registered charity and the income generated by the hire of our spaces directly supports our work. Our pricing is competitive, and we offer reduced rates for other registered charities and arts organisations.

A modern meeting room with a large window, a projector, and a long black table with chairs. The room is well-lit and features a white wall, a grey carpet, and a black table with black chairs. A projector is mounted on the window, and a small table with a control panel is visible in the background.

Technical Specifications

We offer full technical support for your event, no matter its size. We're fully equipped for hybrid meetings and events and can work with you to ensure a seamless experience regardless of your meeting setup.

You'll experience great connectivity no matter where you are in the building with super-fast gigabit fibre wifi meaning your guests will always be able to connect.
