

There's more family fun to come this week at DCA Cinema, as **Despicable Me 4** arrives on our screens. This hilarious new instalment of Minions mayhem sees Gru and family on the run from a new nemesis, and features the vocal talents of Steve Carrell, Kirsten Wiig and Will Ferrell.

Elsewhere, experience the day the world went silent in **A Quiet Place: Day One**, the nail-biting prequel to the acclaimed *A Quiet Place* franchise. We're also bringing you the best of international filmmaking, with tender French drama **Àma Gloria** and darkly humorous Moroccan thriller **Hounds**.

If you love documentaries, join us for **Strike: An Uncivil War**, which explores the 1984 Battle of Orgreave, and our third **Artist's Choice Screening** selected by Sukaina Kubba, **Feet in Water, Head on Fire**. Finally, see Andrew Scott (*All of Us Strangers*, *Fleabag*) in the multi award-winning production of Noël Coward's comedy **Present Laughter** from **NT Live**. Enjoy!
