There's plenty for all ages to enjoy at Discovery Film Festival – and with Donate What You Can tickets, you can come and see as many films as you like!

Our popular **Shorts for Wee Ones** (3+) and **Shorts for Families** (8+) selections are filled with exciting adventures and cute characters. Infants and toddlers will adore **Shorts for Tinies** (0-3) which includes join-in activities alongside short, dialogue-free films.

For older children, check out **Through Rocks and Clouds** (7+), the story of a Peruvian boy and his alpaca best friend; the charming animated tales **Tony, Shelly and the Magic Light** (7+), **Nina and the Hedgehog's Secret** (7+) and **Chicken for Linda!** (7+); the story of an unexpected friendship in **Lars is Lol** (8+), and the return of our favourite monster agent in time for Halloween in **Nelly Rapp and the Black Forest** (8+).

For tweens, teens and adults, we've got a brilliant line-up, chosen with the help of our Discovery Young Ambassadors. There's plenty of high school drama and teenage rebellion in dramas **Okthanksbye** (10+) **Alemania** (12+), **Sisterhood** (15+), plus two activism documentaries – **The Walk** (10+) and **Once Upon a Time in a Forest** (12+) – that are sure to inspire.
